

Greetings NPF members and Affiliate Leadership

I have been requested to share this announcement with you. I know many of you have interests and concerns related to the CPP Investments and questions surrounding the possibility of Alberta pulling out of the Canada Pension Plan. I have been in communications with Jeffery Hodgson over the past year and he seems agreeable to present to our convention delegates this year. As always we would build in a short Q and A time slot to help us with our concerns. Should you have any questions please let me know.

If you have an interest in participating on the NPF Income and Pension Committee (or our other committees) please get in touch with us anytime. These roles are voluntary and respectful to the time you may available to help with campaigns.

Hope to see you at our 2021 Virtual Convention! More details will be rolling out soon.
